Dear Sir:

In response to the restriction requirement set forth in the Office Action mailed January 24, 2005 (Paper No. 01192005), Applicant hereby provisionally elects claims 1-11 for continued examination.

The Examiner has required restriction between: Claims 1-11 (Group I), drawn to a golf club cleaning system, classified in class 15, subclass 303; and Claims 12-17 (Group II), drawn to a high pressure entraining assembly, classified in class 451, subclass 89. It is asserted in the restriction requirement that inventions I and II are unrelated.
